

**CHELSEA EDUCATION FOUNDATION
IMPACT STATEMENT
2022-23**

Mission

Enhance the Chelsea School District’s educational experiences by financing projects beyond the resources of the district and by providing scholarships to district graduates.

Vision

Chelsea Education Foundation is a highly regarded, valuable and caring resource to students and teachers and is a trusted and beneficial conduit for all community members.

Values

Mission Driven, Strategically Grounded, Financially Sustainable, Community Focused

Chelsea Education Foundation is a non-profit organization that provides funding for a wide spectrum of educational activities benefiting the students of Chelsea, Michigan. Funds raised through donations, endowments, and events are managed by local investment professionals and distributed to recipients by the CEF board. The Community Foundation for Southeastern Michigan and Edward Jones provide assistance to ensure investments are maximized. In 1990, the Chelsea Education Foundation was founded by Joe Piasecki, then superintendent of the Chelsea School District. The goal of the foundation was to provide a link between the school, businesses and the community to strengthen Chelsea’s future. Thanks to strong community support and several significant endowments, the Foundation grew steadily and in 1999 was registered as a 501(c)(3) non-profit corporation. Since its beginning, over 180 Volunteers from the Chelsea community have served one to three year terms on the CEF Board. Many school board members, administrators, and countless others, have donated time, energy, resources, and services throughout its 30+ year existence.

Community Impact

Contributions to CEF are given back to the Chelsea community through college scholarships for Chelsea High School graduates and grants to innovative teachers and administrators.

A Message from the President

Dear CEF Supporters,

I begin this letter by sharing my heartfelt gratitude and appreciation. Your ongoing support has paved the way for another remarkable year of building impact and enhancing the educational experiences of our Chelsea School District. We are proud to share that we converted your gifts of time, talent, and treasure to provide over \$95,000 back to the district in the 2022-23 school year!

We've been around for more than 33 years, but sometimes it feels like we are just getting started! Teacher grant requests continue to grow in both the resources requested and the creativity and innovation of the learning experience. Scholarship giving is strong. Through efforts of the newly launched Chelsea Alumni Association (a committee of CEF), a network of over 500 Chelsea alumni has reconnected with the district.

CEF's impact is focused on *Building a Bulldog Future*, and we work closely with the district to ensure our grants and scholarships are aligned with the *Portrait of a Graduate*. We are building connections within the community by increasing collaboration with other non-profits, district booster groups, and our local businesses.

Here are a few highlights:

- We expanded partnerships with community organizations like 5 Healthy Towns and Chelsea Community Foundation, began a new literacy partnership with Serendipity Books, and grew sponsor support.
- Awarded the new "CEF and CAA Committee - President's Award" scholarship to five Chelsea graduates.
- Held another successful Rivalry Fundraiser with the Educational Foundation of Dexter.

As we anticipate continued growth and impact for the district, we look forward to being a valued partner and remain committed to *Building a Bulldog Future*. The district is investing in early childhood, and we are looking forward to giving our newest Bulldogs the best possible start through CEF support in the coming years. We are thrilled to partner with the district and serve our kids and educators.

With Appreciation,

Amy Forehand

CEF launches the Chelsea Alumni Association | October 2022

CEF is proud to introduce the Chelsea Alumni Association (CAA). CAA is a committee of CEF, led by a group of volunteer alumni. The CAA's mission is to create avenues for Chelsea alumni to communicate, connect, volunteer, support, and participate in Chelsea Schools and Chelsea-related activities. Eighty-seven (87) founding donors supported its formation.

Spotlight on Chelsea Alumni Association Committee

Chelsea Alumni Association's mission is to create avenues for Chelsea alumni to communicate, connect, volunteer, support, and participate in Chelsea Schools and Chelsea-related activities.

In just one short year, the Chelsea Alumni Association has come a long way! CAA has not only made great strides toward its mission to create avenues for Chelsea alumni to communicate, connect, volunteer, support, and participate in Chelsea Schools and Chelsea-related activities, but also grown its membership to over 500 Alums! While there's still so much more we want to do, here's a recap of all we've accomplished so far:

Monthly Board Meetings

Each month, our Steering Committee meets to discuss CAA business, plan new projects, and welcome new members. These meetings are open to the public, and CHS Alumni are encouraged to attend! Watch for meeting dates on our eNews, social media, and website.

Meet & Greets

Since our inception, we have held 4 Meet & Greet events! These are great opportunities to catch up with other alumni and find out what's on the horizon for CAA.

Homecoming Events

Where better to enjoy meeting up with fellow CHS students than at Homecoming? CAA has proudly hosted two football tents and one softball tent to date.

Future Home of CAA

CAA is excited to announce that we now have a physical space in the Chelsea High School! A place to preserve the legacy of CHS alumni and create an interactive experience to explore class history. Located on the wall between the main office and the athletic office, this wall space will be used to commemorate our CAA Founding Donors and house an interactive digital display containing individual class information. Look for more information in 2024 about this exciting project and ways that you can support and get involved!
